## OUR MENU

A contemporary take on the 'steak & potatoes' meal, featuring a mix of traditional & modern appetizers and sides—from the comfort of our delicious Mac 'n' Cheese to the fun and tasty food 'shooters' and exquisite lobster tempura.

Steaks—Dry aged corn fed Certified Angus Beef from the Midwest, Australian F1, and our namesake – the extremely marbled and 'melt in your mouth' A5 Wagyu (highest grade of beef in the world). Our menu portions range in size, accommodating those looking for a light bite to those seeking the big hearty steak.

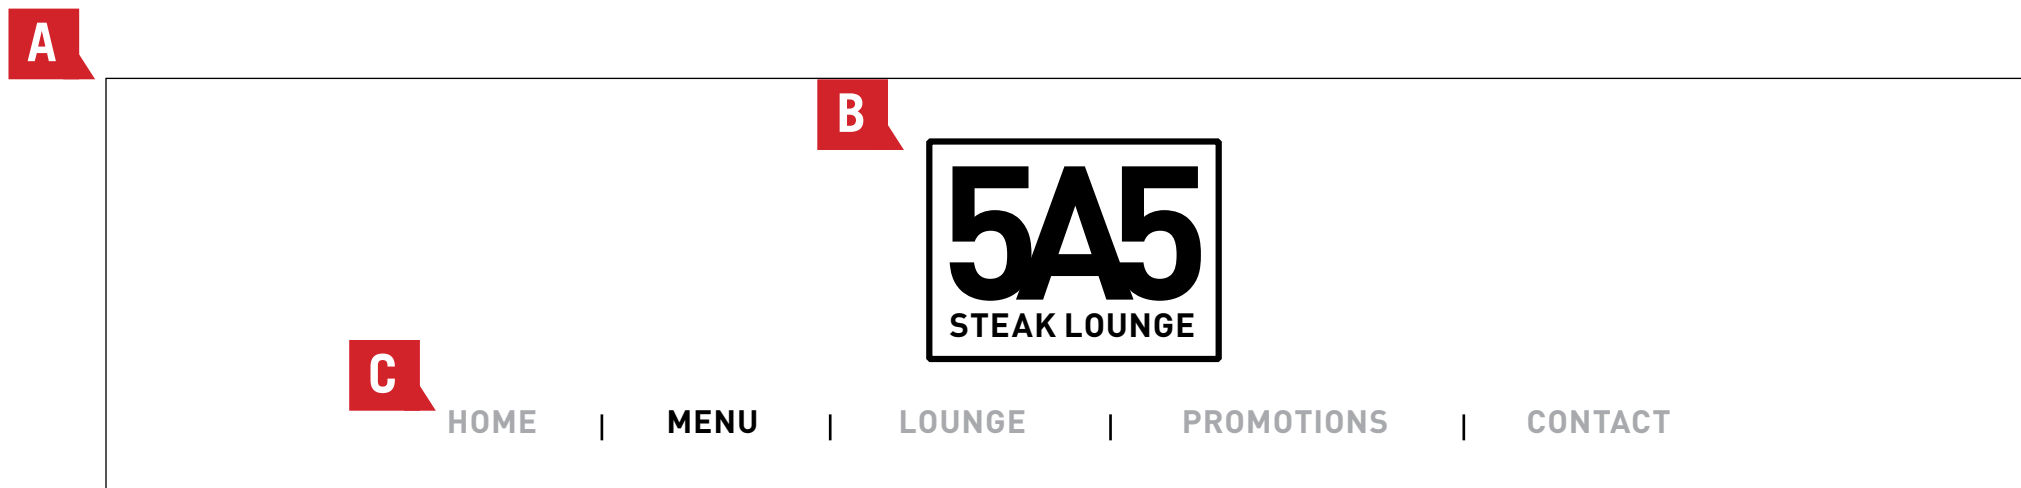

We have several non-red meat & vegetarian options available. Our menus are inspired by local produce, 100% natural beef with no antibiotics or hormones and wines from around the world.
