----------------	---

+

80-90pts	Very Strong: Professional quality Only 5 min tweaks and regular content updates are needed to be considered professional quality work.
70-80pts	Good: Minor polishing needed Style is well executed, but minor polishing needed (~2 days work) to bring site to Professional level quality.
60-70pts	Average: Fulfills assignment Fulfills site's basic requirements, but needs more depth to content or design execution to be professional quality. (~1 week work)
50-60pts	Weak: Missing some necessary items Some obvious conceptual and design issues make the site feel slightly broken or outdated.
0-50pts	Fail: Non-functional Site misses most requirements or barely functional. Major usability problems.
